Other Wells Fargo Benefits

Watch for debit card scams so you can avoid them

Pay close attention if you are contacted about fraudulent debit card activity. Scammers are impersonating Wells Fargo using texts and automated calls that look real.

Wells Fargo will not contact you and ask you to:

- Provide your PIN, access code, or card information.
- Give device passwords, share your screen, or join a video call.
- Withdraw cash and deposit it to another account.
- Send money to a person, account, or digital wallet to "protect your account" or "resolve a fraud issue".
- Hand over, mail, or leave your card somewhere for pick-up.

Remember, don't respond to the request. Call us directly using the number on the back of your card to verify any potential issues with your card or account. You can also check for suspicious activity through our mobile app* or online. If you think your card has been used fraudulently, please contact us as soon as possible.

**IMPORTANT ACCOUNT INFORMATION**

After November 19, 2025, Wells Fargo will no longer offer the option to establish new overdraft protection linkages from a home equity line of credit to deposit accounts. If there is a home equity line of credit account that is currently providing overdraft protection for your checking account, it will be delinked from overdraft protection on February 9, 2026. Unless your checking account is linked to another overdraft protection source, you will lose overdraft protection on or after February 9, 2026. Your home equity line of credit account is not being closed or changed and as long as you have available credit, you can continue to make credit advances in other ways such as access checks (if applicable), online, visiting a branch and by phone. Call us anytime for additional details at 1-800-TO-WELLS (1-800-869-3557) or visit your local branch.

NEW YORK CITY CUSTOMERS ONLY -- Pursuant to New York City regulations, we request that you contact us at 1-800-TO WELLS (1-800-869-3557) to share your language preference.
